

# SINAL – 1st National Meeting on Signal Transduction

March 23<sup>rd</sup>, 2007

Instituto de Medicina Molecular, Faculdade de Medicina de Lisboa ([www.imm.ul.pt](http://www.imm.ul.pt))

Do you work on or are interested in signal transduction?  
Do you want to know who else is working in your field?  
Do you wish to improve access to plasmids, antibodies, protocols? Here is SINAL – an informal meeting and a great opportunity to discuss your work and to network.
